LCSW SUPERVISION LOG

IMPORTANT NOTICE:

Please note that this information is a template for use during approved supervision. You and your supervisor may alter or add to this information as you deem appropriate.

Throughout your supervision experience, you and your supervisor are encouraged to keep supervision logs of which clients were the subject of supervision. Supervision logs should include the date of individual/group supervision, the duration of the supervision meeting, topic of discussion, clinical social work services provided throughout the week, number of hours obtained in face-to-face client contact, and evaluation of supervisee's knowledge and competency in identified theory base, application of a differential diagnosis, establishing and monitoring a treatment plan, development and appropriate use of the professional relationship, assessing the client for risk of imminent danger, implementing a professional and ethical relationship with clients, and understanding the requirements of law for reporting any harm or risk of harm to self or others.

Important! You will <u>not</u> need to submit your logs with your application for licensure; however you will be required to submit these supervision logs *if requested* by the Board for verification purposes.

Please note that your supervisor is required to maintain documentation for five years post-supervision, of which clients were the subject of supervision.
